

Life Lite Exploration Questions

- Pick a design such as a glider and use the rules of the game of life to see if you can follow its steps. Do you see how the pattern repeats itself? Try this with as many patterns as you would like. Do you see how the patterns work?
- Try to figure out how the eater has to be placed to eat the glider and come out in the same pattern?
- Can you explain how the traffic light works?
- Can you explain why the box pattern is stable?
