  - ❖ Ambitious
  - ❖ Professional Attitude
  - ❖ Strong work ethic
  - ❖ Reliable
  - ❖ Effective problem solver
  - ❖ Team Oriented
  - ❖ Competitive
- 

## PROFESSIONAL EXPERIENCE

---

### Shodor Education Foundation – Durham, NC

2017 – Present

#### Apprentice

Completed a year long program, gaining real life office experience while learning necessary professional and technical skills through the completion of projects.

- Programed my own website using HTML and CSS
- Used JavaScript and PHP to create interactive programs like a Coin Flip model and a Name Switcher program
- Modeled the spread of Influenza in Cary, Forest Fires, the Wealth Distribution in the US, and the relationship between dolphins and fishing boats while learning how to use softwares like Vensim, AgentCubes, and Microsoft Excel
- Created personal logos and web banners using Inkscape and GIMP that expressed creativity in graphic design
- Learned teamwork and communication skills through multiple group projects and documenting middle and high school workshops
- Gained real life office experience by completing tasks like working at the reception desk

### Thales Academy – Apex, NC

2016 – Present

#### Tutor

Tutored the Thales Academy middle school math team and helped them get ready for their upcoming competitions.

- Prepared helpful practice material like questions on advanced concepts outside of school curriculum
- Acted as a mentor and answered any questions the students had about the competition or test taking strategies
- Got students excited about math and careers in mathematics

### Volunteering

119.75 hours

Volunteered at a variety of events while giving back to the community and gaining valuable skills

- Gained communication skills while working at the Bond Park boathouse and greeting people at Lazy Daze
- Gave back to the community by working at the NC Food Bank and making lunches for homeless families
- Garnered a new perspective to life when helping children with disabilities play baseball through Miracle League

---
